Letter From the Editors

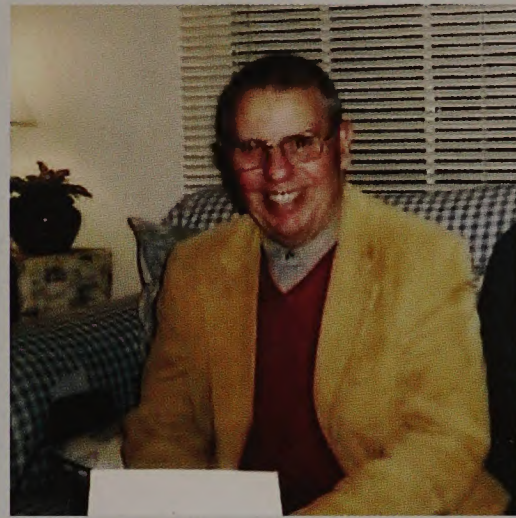

It has been a wonderful year working with a great yearbook staff. We could not be more thankful to have the cooperation and support shown by each and every one of us. Of course, this yearbook would not have been possible without the help of Mr. Coulombe, through all of the long hours he put in, and Jostens, for helping to create and put together our yearbook.

This year may have been a lot of work, but we still managed to have a lot of fun. From summer sessions at 9 AM to meeting twice a week to get things done for deadlines, the yearbook staff was always optimistic and prepared. Even when problems arose in people's schedules, we still promised to work hard to satisfy both the students and Mr. Coulombe. We received many new members this year and only had a few returning people, but the dedication everyone had to working on the yearbook made it feel as if we had all been doing it for years. We couldn't have asked for a better yearbook staff.

Finally, we would like to thank Chestnut Hill Studios for taking wonderful pictures for our yearbook, the faculty for letting us disrupt their classes to take pictures, and all of the businesses that donated money to help make this yearbook. Also, to the graduating class of 2015, we hope you follow all of your dreams and your future is as bright as you are!

2015 Yearbook Dedication

On behalf of the Class of 2015 we would like to dedicate this year's yearbook to Judge Aguiar.

Judge Aguiar was a Case High graduate who excelled in both academics and athletics. In addition to being class president and participating in many sports, Judge Aguiar was one of the first students to be inducted into the Joseph Case High School Athletic Hall of Fame. After graduating, he went on to continue his athletic career, serve in the Army, and received a Jurist Doctorate at the School of Law. He then started his political career by becoming a Swansea town selectman for nine years and a state representative for eighteen years. Judge Aguiar served in the Attleboro Court System and then as the First Justice of the Fall River court until his retirement.

Judge Aguiar was always a great supporter to Case. He would come to support sports games whenever he could and would work at concession stands, provide funding for equipment, and would even provide scholarships to some of the students. Besides helping the school, Judge Aguiar was also a friend to the community. He was a regular community service volunteer and worked for many committees.

Sadly, Judge Aguiar passed away on February 1, 2014 at age 84. However, his personality and helpfulness to the community will not be forgotten.

Letters from the Administration

To the Class of 2015,

I congratulate each and every one of you on your graduation from Joseph Case High School. Your hard work and dedication has earned you this tremendous accomplishment and has prepared you for the next chapter in your life, which will bring with it different challenges and opportunities. I trust that the education you have received and the experiences that you have had at Joseph Case High School have prepared you for whatever those challenges may be, and the skills, knowledge and confidence to reach your goals in life.

As you move forward in your young lives, there will be many choices to make. Believe in yourself and make those choices that will continue to make your family, your community and yourself proud!

This notion is much like the message the author of *The Alchemist* conveyed and Santiago came to recognize: "To realize one's destiny is a person's only obligation." Always follow your dreams and pursue in life that which will make you happy, healthy and a responsible member of your community.

I wish you the best of luck in all your future endeavors!

Robert G. Monteiro
Superintendent of Swansea Public Schools

To the Class of 2015:

Firstly, I would like to congratulate all of you for achieving this graduation milestone, as it is a monumental task! I am certain that later on in life you will look back upon your time at Joseph Case High School with fondness and a sense of pride. Remember that the education you have received throughout life, thus far, is a foundation by which to achieve the goals that you have set and to make your dreams a reality.

Good luck in all of your future endeavors!

Sincerely,

John J. Robidoux
Assistant Superintendent/Director of Student Services

To the Graduates of the Class of 2014:

The Class of 2014 is one of my favorite classes to come through the door of Joseph Case High School. Your sense of school spirit, community and enthusiasm has been infectious to all members of our community that you have co-existed with during the past four years. We have certainly seen change since you were freshman: New gym, new seats in the auditorium, covered drinks in the classroom, and a capstone project that will lead you to the final months of your high school education.

Although I wish you a lifetime of good health and happiness, I hope your future includes many doors.

Since your formal time at Joseph Case High School is coming to an end, what is your next adventure? College? Living away from home at a university? Balancing work and school? Military? Trade schools or technological training?

Whatever you have selected as your pathway, there will be doors ahead that will present you with challenges, opportunities, chances to flourish as well as temptations to hold you back. Chances will exist. Is this the door to a new, exciting place? Is it a portal that is a transition to something else? As well, perhaps it's a revolving door that can bring you back to where you started. Does this door bring you to the place you want to be?

So many questions and options! So, too, is your life after high school.

My sincere congratulations on all your accomplishments during the past four years and best of luck in maneuvering through the many doors ahead. Choose wisely and be open to positive and possibilities that you may have never dreamed of.

Congratulations,
Brian McCann
Principal

To The Class of 2015,

As your final year at Joseph Case High School comes to a close, you are now faced with answering a very important question, "What's next?" Fortunately, your high school career was filled with decision making. Course selections, extra-curricular participation, and social involvement have shaped your high school experience and influenced one of the most important choices in your lives. Whether you plan on entering higher education, the military, or the workforce, I am confident that Joseph Case High School has provided you with the skills and self-reliance needed to tackle this complex decision.

I applaud your parents and teachers who have prepared you to respond to this milestone with confidence. This is a time of both excitement and uncertainty, but one in which you have anticipated for some time. I am certain the last four years have prepared you for life after high school. Take advantage of this time in your lives to make a difference in your future endeavors. Although I am new to the Case High school community, I am very impressed with the faculty and students that make this school a wonderful place to work and learn.

I wish you all the best of luck as you prepare for life's challenges and celebrations. Take with you all the experiences and memories of your high school years. They will be some of the fondest you ever have.

Best Wishes,
Christopher J. Costa

Chess Club

Chess has been around for centuries and is a popular game for students of all ages. It is a game of strategy and logic, and it can be played anywhere, anytime. The Chess Club is a great way for students to learn the game and compete with others. We meet every week to play and discuss our games. We also have a tournament every year. If you are interested in joining, please contact the club leader.
